

Lewis County Lake Region- Brantingham- Foothills of the Adirondacks

Waterways abound in Lewis County Lake Region. Brantingham Lake is the largest body and located entirely within the beautiful Adirondack Park. There is a public boat launch off North Shore Road, though with limited parking. Motor boat, ski, paddle, snorkel, sail, fish from these pristine waters. Lily Pond adjoins Brantingham Lake and is connected via a bridge on Cottage Road.

Then there is Lake of the Pines, located just off Brantingham Golf Course, a private lake of upscale home improvements for those who like it quiet and peaceful.

Pleasant Lake is on the south west side of Brantingham Lake. Of significance here is Camp Aldersgate, a Christian summer camp site and favorite swimming hole for campers and those who live around its sandy shoreline.

In the region is also Mud Pond, Catspaw Lake, Dwyer Pond, Copper Lake, Little Otter Lake, Stony Lake, Chase Lake, Sand Pond, Hiawatha Lake 1 and 2, Beaver Lake, Cleveland Lake, Crystal Lake, Francis Lake, Beaver River, Soft Maple Flow to , Long Pond, to name a few.

Kayak, canoe, or boat along the Black River going from Lyons Falls to Carthage.

There is also the the Independence Creek, Moose River, Otter Creek, and Fish Creek.

Come check them out. See for yourself the scenic wonders of Lewis County Lake Region. Check out Effley Falls, Lyons Falls, Ager Falls...

There is plenty to see and do in the Lewis County Lake Region
